Pantaleo is now serving the diverse real estate needs of home buyers and sellers throughout the Denver metro and surrounding areas.

“We are pleased to welcome Paula to our accomplished team of real estate professionals in Greenwood Village,” said James T. Wanzeck, Managing Broker and owners of RE/MAX Masters Millennium. “Paula is a Colorado native and has been in the real estate business for nearly 20 years, so she knows the market, the neighborhoods, and understands what it takes to succeed in this highly competitive business. We look forward to working with her during the years ahead.”

Pantaleo is a member of the RE/MAX 100% Club, and has been named a Five Star Real Estate Agent by Denver’s 5280 Magazine for six consecutive years, a distinction that recognizes outstanding service and sales. She has been featured on HGTV’s House Hunters show as a buyer’s agent. Pantaleo is well versed in the custom home segment of the real estate business, helping custom builders with their sales and marketing endeavors.

My longevity in the real estate business is based on referrals and repeat business, and I never take that for granted.”

Pantaleo chose RE/MAX Masters Millennium because of the company’s outstanding technology, an excellent support staff, and the best service and marketing tools available in the real estate industry.

Prior to pursuing a career in real estate, Pantaleo owned a hair salon in Denver and was in the business for 15 years. She enjoys interior decorating, spending time with her family and traveling. Pantaleo also enjoys many activities in Colorado’s great outdoors.
